# Enduring color

The colors of Tedlar® PVF

Tedlar®

# Colorful, enduring, empowering

Rain or shine. Hot or cold. Day and night.

DuPont™ Tedlar® polyvinyl fluoride (PVF) film provides a long-lasting finish to a wide variety of surfaces exposed to harsh environments.

The color uniformity and fade resistance of Tedlar® film allows it to hold its color and maintain its original appearance for decades.

Tedlar® film offers aesthetic protection against the elements, as it resists fading, cracking and corroding.
